

Dear Sir/Madam

Thank you for taking the time to learn more about L41 Teen Outreach and Tribe Paintball.

L41 is a non-profit organization dedicated to helping teenagers develop socially, academically and physically – all in a safe environment. Our goal is to provide opportunities for personal and character development through various types of programs and local community events.

Included in the many programs L41 runs are our wildly popular paintball outings. What started out as a special event quickly grew into the paintball team “Tribe”. Our team consists of dedicated teen leaders and teenagers, who are working hard to become better people and players. We feel that everyone, no matter what their financial situation, should be given the opportunity to play. With assistance from our sponsors, L41 uses its resources to subsidize the play of teens that come from low-income families or who simply cannot afford to take part. Every player takes great pride in their team and, whether a tournament or one of our regularly scheduled practices, looks forward to every chance they get to play.

With your help, Tribe can make it possible for more teenagers to be involved in Paintball. For your support Tribe can guarantee the following:

- ⊕ L41 can issue a charitable donation receipt which in turn may be used to offset the sponsor's taxes.
- ⊕ The Sponsor's logos will receive prominent placement on the following:
 - The Tribe team website (includes links to sponsor's site).
 - Tribe banner which is brought to all tournaments and practices.
 - Tribe player's jerseys.
 - The L41 Teen's website (including links to sponsor's site).
 - All videos produced for Tribe by L41's media department.
- ⊕ The L41 media department will produce videos promoting the sponsor's products and/or services. Videos will be displayed on Youtube, Google Video, L41 web site, Tribe web site, and at all Tribe related events. At year end Tribe will supply sponsors with a DVD containing all videos related to their products or services.
- ⊕ Tribe guarantees exposure at a minimum of 6 tournaments over the 2007 playing year.
- ⊕ Off the field L41 and Tribe take an active part in the community doing volunteer work. Such occasions help increase the profile of Tribe as well as its sponsors.
- ⊕ On and off the playing field Tribe holds to a strict code of conduct. Adherence to this code determines a player's eligibility to participate in Tribe functions, and in turn guarantees the sponsors characterized representation.

Success through Cooperation

As a potential Tribe sponsor you can be assured that your support will go toward helping promote the sport of paintball, as well as the development of a good group of teens. Your assistance will not only be providing the means to play for those in need, but it will help encourage pride in a team sport, a desire to grow, and a passion to succeed!

As individuals and as an organization, Tribe is committed to helping promote the products and services of all of its partners. Becoming a sponsor means you have a team out there working hard on your behalf. We believe in success through cooperation; let us join forces with you. For more information on ways we can collaborate and work together, or to learn more about L41 and Tribe Paintball, please contact us. We thank you for your consideration.

Respectfully,
Jason Tucker (L41 Director & Tribe Team Manager)
